PASTOR'S CORNER: When God revealed Himself to us, it was no accident that he revealed Himself to be our Father. God could have simply said he was our Lord and Master and that would have been quite true. But then our relationship to God would only be that of slaves. God shows Himself to be a Father to us so that we may relate to Him as children. And as a good father does not just control his children, but loves them, so our heavenly Father seeks not to control us, but to love us and to have us love Him in return. A most powerful image of God's fatherhood is the father in the Parable of the Prodigal Son. He does not reject his son, even when his son rejects him. The father shows tremendous patience with his son even when he strays. And the father runs to greet his son when the son finally repents, without condemnation and without bitterness. I hope many of us have had fathers who tried to imitate the love of our heavenly Father. I hope

those of you who are fathers will always take as your model the love of God, our first and best Father. Happy Fathers' Day!

BUS TRANSPORTATION FOR WHEELER ORDINATION: If you contacted Fr. Kevin about going to the Wheeler ordination on Saturday, June 29th please check your name against the list in the back of the church. PARENTING POINTERS: Jun 16: Sunday is Father's day. What did your own father teach you about being a father. Hopefully it was positive like fidelity, loyalty, protection, unconditional love. But even if your father was absent or flawed, you can still be inspired to be better with your own child.
