PASTOR'S CORNER: The wise men who came to see Jesus are often described as 'seekers,' who were willing to travel many miles in search of truth. To their amazement, they found that Truth lying in a manger in the inconsequential little town of Bethlehem. That Truth is now all around us, for Jesus said that HE is the way, the truth, and the life. His Word is given to us through the Scriptures. His very Life is shared with us in the sacraments of the Church. We are truly fortunate that we do not have to go far at all to find Him who is the fulfillment of all our longings. But there are still many 'seekers' around us (including many who are at least nominally Catholic). It is part of everyone's duty as evangelists to help those seekers find their way to the Truth. The wise men had a star to guide them. Our modern day seekers have only ourselves to

guide them; but in the Holy Spirit, we are all up to that task! If you know of any seekers - someone who would like to become Catholic, or who is an inactive Catholic and wants to find the way home to the Church - invite them to Mass or a parish event, or just give them my phone number. Help our present day seekers find their way home.
